Ohio DC Coronavirus (COVID-19) Response

Dear Employer,

In an effort to reduce the potential spread of the coronavirus (COVID-19), the Service Center has begun to provide limited services working with a remote staffing model.

Ohio DC has suspended all worksite visits, walk-in business, and live webinars.

The Service Center is closed and currently only able to provide service for website support, unforeseeable emergencies, and limited withdrawal types.

Unforeseeable emergency and limited withdrawal requests must be received electronically to ensure processing.

The processing of all forms mailed to our office will be delayed for the foreseeable future.

Please instruct your employees to login to their account at Ohio457.org to request a contribution change, fund exchange or address change. If they are having trouble logging in, please use Forgot Username and/or Forgot Password for assistance.

Participants may email us at Ohio457@nationwide.com for all other inquiries as we are currently experiencing higher than normal call volume. Our staff remains committed to providing participants with secure access to their account and we thank you for your patience.
