Learn More About Retirement Planning

Want to learn about retirement without reading a stack of books or sitting through a seminar? Our many online resources will help you do just that. We offer an assortment of educational videos, webinars and calculators to make your retirement planning a simple, painless process. Our useful tools and calculators help simplify the numbers and test new scenarios in your path to planning for retirement.

We've put our **40+ years of experience** to work by making it easy for participants like you to learn about your retirement planning options. In fact, **over 73 percent of participants** find the articles and videos on their plan provider's website to be helpful in planning for retirement.¹

Professor Penny can help you understand the basics

Want to learn more about retirement without any hassle? Our simple, easy-to-understand Professor Penny videos can answer many of the questions you may have. Our recently redesigned website Ohio457.org, has resources, including videos for every aspect of retirement planning — from enrollment benefits to retirement basics, catch-up options, minimum distributions, performance reports and more. Visit the [Videos and Webinars page](#) to watch our short Professor Penny educational videos and learn more.

Take a class on retirement — in the comfort of your own home

In simple terms, a webinar is an instructional session that can be viewed via the web. Much of the information that you would find in a seminar or retirement planning class can also be found in our webinars. Visit the [Resources page](#) to find our library of helpful webinars.

All of the resources you need, all in one place

At Ohio Deferred Compensation, we want to make it easy for you to plan for and live in retirement.
