Meet Locally With Retirement Planning Specialists

In addition to our Field Account Executives who usually meet with employees at their worksites, Ohio DC has Retirement Planning Specialists who meet individually with employees at or near retirement for more detailed planning sessions. Retirement Planning Specialists (RPSs) will be available to meet with you during normal business hours, depending on your city.

RPSs help Program participants with retirement planning at no charge, in the most convenient of three ways—at the Service Center in Columbus, at meeting sites throughout Ohio, or over the phone.

Retirement Planning Specialists are here to help you:

- *Determine your retirement income needs*
- *Evaluate your current finances in regard to retirement*
- *Simplify your retirement savings by combining your assets*
- *Defer sick and vacation leave from your final paycheck*
- *Choose the distribution option that's most suitable to you*

You must make an appointment for this service by calling 877-644-6457.
