Save a Tree with eDelivery

If you like receiving notifications through email when your latest quarterly statement is available, eDelivery is a great option for you. Thanks to eDelivery, communications from Ohio DC can be:

- Faster — Receive email notices as soon as Plan communications are available
- Organized — Plan communications are housed in one place and are easy to manage
- Secure — Documents are accessible only after you log in to your account
- Green — Reduce your carbon footprint, saving several pounds of paper annually

Once you've signed up for eDelivery, you will receive an email as soon as your Quarterly Statement and Focus newsletter are ready. You'll also have immediate access to your past and present quarterly account information online. It's not a complicated process. Just log on to your account at Ohio457.org. Click on "Online Profile" in the left column. Then, click the "eDelivery Preferences" option. When you get there, you'll be able to enter your email address and have the option to receive correspondence electronically.
